

Harbor Christian Homeschool, Inc.

Cooperative Homeschool Program 2023-2024

Annual Registration Fee:

\$75 per family, due with registration

Bi-Annual Building Use Fee:

\$50 per family, due October 2, 2023 and February 12, 2024

Harbor Christian Homeschool's Cooperative Program offers families the opportunity to supplement their homeschool curriculum with year-long enrichment classes. To be a member in the 2023-2024 program, your oldest child must be at least 7 years of age by September 30, 2023.

We meet on Mondays, September 11, 2023- May 20, 2024. Our cooperative format requires extensive parental involvement. It is important that you read the entire packet to understand the program and determine if it is a good addition to your personal homeschool. Our desire is that classes at HCH will honor God and be a blessing to homeschooling families.

Parent Night for HCH 2023-2024

Tuesday, September 5, 2023

6 to 6:30 PM – New Family Orientation (registration closed during meeting)

6:30 to 7:30 PM – All Families Drop-In Time and Open Registration
(pick up family schedules, complete your background check, collect student class materials if applicable)

This evening is a good opportunity to learn more about the program, ask questions, meet the teachers and see the facility. Please note that childcare will not be available.

Harbor Christian Homeschool Advisory Board

Jen Horton, Teacher Coordinator, Administration (253) 405-2313

Jeremy Isbell, Facilities (206) 931-6273

Nicole Joy, Treasurer (253) 225-3936

Kirsten Kilcup, Jobs Coordinator, Registration (253) 432-2669

Rikkie Sanders, Executive Assistant (360) 536-7672

Registration Inquiries: (253)432-2669

Mission Statement

All learning at *Harbor Christian Homeschool, Inc.* is to be biblically based and encourage personal growth of faith in Jesus Christ. We desire to equip children with skills and tools to continually learn for a lifetime. We intend to provide Christian educational experiences and an opportunity to participate in group learning activities. We will support our members through prayer and the sharing of educational information for the benefit of excellence in homeschooling.

The proverbs of Solomon, son of David, king of Israel:
for attaining wisdom and discipline,
for understanding words of insight,
for acquiring a disciplined and prudent life,
doing what is right and just and fair,
for giving prudence to the simple,
knowledge and discretion to the young-
let the wise listen and add to their learning,
and let the discerning get guidance-
for understanding proverbs and parables,
the sayings and riddles of the wise.

The fear of the LORD is the beginning of knowledge,
but fools despise wisdom and discipline.
Listen, my son, to your father's instruction
and do not forsake your mother's teaching.

Proverbs 1:1-8

Statement of Faith

1. We believe that there is one true God, omnipotent, omniscient, and omnipresent, perfect in all His ways, one in essence but eternally existing in three Persons: Father, Son, and Holy Spirit.
2. We believe that Jesus Christ is God, that He became man (yet without sin), that He was conceived by the Holy Spirit and born of the virgin Mary, that He was God's only Son, that He died on the cross as a substitutional sacrifice for sin, that He arose from the dead according to the Scriptures, that He ascended into heaven where He is now at the right hand of God as our interceding High Priest, and that He will return again to establish His kingdom.
3. We believe the Holy Spirit is God, sent to indwell, empower, counsel and teach the believer.
4. We believe the Bible is the inspired, inerrant, and infallible Word of God; it is of supreme and final authority in faith and life.
5. We believe that man, although originally created in the image of God, has, through the disobedience of Adam, incurred physical and spiritual death, and that man is born with a sinful nature, separated from God, and unable to justify himself before God.
6. We believe salvation is a free gift of God (by grace), not earned in any way by man, given through faith in Jesus Christ to all who repent of their sin and believe in Him, is eternal, and results in good works.

General Policies

Email: Email is the main form of communication with HCH families. Please check your email regularly to stay updated with co-op events and information.

Contacting HCH on Mondays: Do **NOT** call the church. The number for the HCH cell phone is (253) 432-2669. You can text or call this number on Mondays only (**text preferred**). You may also email the Advisory Board at hchboard@yahoo.com.

Absences: **Unplanned Absence** due to illness or emergency – Please notify the Board by email or text (Mondays only for text) as soon as you know you will be absent so we can cover your jobs for the day. Teachers, please also communicate a class plan directly with your teacher's aide if you are able.

Planned Absence – Please try to find someone to cover each of your assigned jobs by looking at the rover list located at the Board Table. Record your absence and job coverage information by date in the Absentee Binder at the Board Table. Please notify the Jobs Coordinator of your absence. Teachers, please make sure to give your teacher's aide teaching materials and information ahead of time so they can substitute for you.

Visitors: Every visitor must sign in at the Board Table and wear a name tag.

Pets: No pets are allowed on the church premises. This excludes service animals.

Lunch: Lunch and snacks are to be eaten only in the lunch areas, during lunch time (12:20-12:50). **Parents are responsible to make sure that their children clean up after themselves.** We will also have prayer, Pledge of Allegiance and announcements during this time.

Baby Care: Babies need to remain in the nursery. They are not allowed in the classrooms at any time. Diaper changing and nursing should be done only in the nursery.

Information Table: An information center will be set up in the foyer. Each family will have a Family File. It is your responsibility to check your file weekly for co-op related information or class items from teachers. If you have information you would like to post at the Information Table, it must be cleared by the Board first and should be pertinent to homeschooling. Items posted do not necessarily constitute HCH, Inc. endorsement or promotion.

Fundraising: Students may bring items to sell at co-op only if they are sold to support a non-profit fundraising event or mission trip. All items must be cleared by the Board and placed on the Information Table in the foyer. Soliciting to individuals is not allowed.

Snow Days: If Peninsula School District (PSD) is closed or delayed, co-op classes will be cancelled. School delays and closures are announced in real time on the PSD website (<https://www.psd401.net/>) and email notification from PSD is available upon request. The Board will send out an email in the event of a closure, but the earliest information will likely come from PSD.

Parent Responsibilities

- Parental participation is mandatory. No student will be allowed at HCH without a parent or non-registered adult family representative in the building at all times, unless a student is enrolled in the Drop-Off Program (by application only, ages 12 and up).
- **No** students, including siblings, are allowed in classes unless they are registered for that class. Only registered children may be on campus.
- Do not send your child to class during the contagious stages of an illness (within 24 hours of a fever or vomiting) or with lice. We have a “no nit” policy. If your family contracts or has been exposed to anyone with Covid, please follow current CDC recommendations.
- By registering your child in the HCH program, you agree to complete jobs every Monday at co-op according to your family schedule. It is imperative that you **be on time** for all jobs. (See page 3 for instructions regarding absences.)
- Your family schedule indicates your weekly responsibilities for the periods you attend co-op. If you are assigned as a rover, this means you will not have the same specific job every week but, instead, will be on a fill-in list for that period to help cover jobs of others who are absent. Please understand that, while you may not be used as a rover every week or for every period you are assigned as one, the expectation is that you will be available on a regular basis.
- All parents should be at their job, in one of their children’s classes, Study Hall, or foyer at all times. This assists us in locating you for child needs or job fill-ins. If you need to temporarily leave the building, please notify the person sitting at the Board Table.
- Members are to dress modestly (See Student Responsibilities).
- Do not socialize in the classes. Teachers and teacher’s aides reserve the right to ask those disturbing class to leave.
- Keep technology use (including texting and talking on the phone) limited to the foyer during your free periods.
- Parents will be contacted if a disciplinary issue arises with their child, and may be asked to remove their child from class. Parents are responsible for their children’s actions and behavior.
- Participation is contingent on Tuition and Fees being paid on time. Payments are made according to the Payment Schedule on page 6. **Tuition and Fees are non-refundable.**
- All parents are required to abide by and help enforce HCH rules. Parents are responsible for their children knowing and abiding by HCH rules.
- All HCH co-op families must agree to abide by our host’s rules, set for our group while using their facilities.

Student Responsibilities

- **Laser pointers, knives, and weapons (real or play) are not allowed on campus.** Please refrain from bringing anything to co-op that does not pertain to class or personal studies (toys, games, cards, balls, electronics, skateboards, etc.).
- **All** electronics, including cell phones, mobile devices and computers, are to be turned off before entering the building, and are to remain off until you leave for the day. Students may only use electronics at HCH if (1) a teacher allows electronic use during class time for class purposes and/or (2) they are being used to aid a student with independent school work during Study Hall.
- Study Hall is for working or reading quietly. This is not a social time. Be sensitive to other students who are working. Again, electronics may only be used for independent school or study use. No shared devices.
- Be in class or Study Hall (or Playroom for preschool ages) at all times while on campus, with the exception of lunch time. Do not loiter in the hallways or outside. Students may not leave campus without permission.
- Be on time for class and prepared to learn (completed assignments, sharpened pencils, all required books and supplies, etc.).
- Participate willingly in classes and help with all clean-up.
- Do not leave the room without permission from the teacher or teacher's aide.
- Show respect for all adults and peers. Address adults with respect (Mr., Mrs., Miss).
- Families are asked to respect the HCH standard regarding boy/girl relationships:
 1. Demonstrate respect for one another as brothers and sisters in Christ.
 2. Public displays of boyfriend/girlfriend relationships are not acceptable at co-op.
- Students are to dress modestly. Skirts, shorts and dresses must be fingertip length. Halter tops, shirts that reveal the midriff or cleavage, off-the-shoulder tops, tops with spaghetti straps, sheer tops that show undergarments, and low riding pants that reveal underwear are **NOT** allowed. Clothing with graphics or writing should be non-offensive. Sunglasses may not be worn inside the building. Teachers reserve the right to request that hats and hoods be removed during class.
- Give your attention to God when we are praying and be respectful (remove hat and stand with hand over heart) during the Pledge of Allegiance.
- Students may not be in the sanctuary unless in a class. Students may not be on the stage or handle any equipment in the sanctuary (instruments, microphones, props, etc.).
- Students may not be in the sanctuary tech booth **at any time**. All church sound equipment, electronics, instruments, projectors, computers, etc. are off limits to students **at all times**.
- Show respect for church property. You will be held accountable for any damages caused by your actions.
- No running in the building.
- No gum.

Payment Schedule 2023–2024

- * Tuition is paid every 4 weeks, per child, per class, made payable to the teacher and processed through the teacher's aide. Payments made on the due dates below cover the 4 co-op meetings indicated. You may pay for more than one "session" (4 weeks) at a time after Session #1.
- * Materials Fees are paid by semester, per child, per class, made payable to the teacher.
- * Playroom Fees are paid by semester, per child, made payable to HCH.
- * Building Use Fees are paid bi-annually, made payable to HCH.
- * Registration, Tuition, Materials, Playroom & Building Use Fees are non-refundable.

Below is the payment schedule for all fees for the school year. Please ask if you have any questions.

PAYMENT DUE DATES	\$ COLLECTED FOR	SESSION
April 24, 2023	Registration Fee \$75 due for fall 2023	
May 15, 2023	Materials & Playroom Fees due for fall 2023	1st Semester

May 11, 2024	HCH 8th Grade Graduation
May 20, 2024	Last Day of Classes
June 1, 2024	HCH High School Graduation

Registration Procedures for 2023-2024

- Read the entire packet. Fill out and submit the registration paperwork according to the following procedures. Contact an HCH Advisory Board member if you have questions.
- Registrations are due April 24th. Return the following completed forms together: *Registration Contract, Registration Form, Medical Release, Assumption of Risk, and Photo Use Agreement, along with your \$75 Registration Fee (check or exact cash ONLY - no electronic payments)*. **Registrations will not be accepted unless all paperwork is complete and both parents/guardians have signed all forms.**
- Late registration begins April 25th. Classes will be filled on a first-come, first-served basis for late registrations received.
- If you are mailing your registration, send to: Harbor Christian Homeschool, c/o Kirsten Kilcup, P.O. Box 773, Gig Harbor, WA 98335.
- Class lists will be posted at our meeting location (Discovery Baptist Church, 4902 Gustafson Dr NW, Gig Harbor) in the foyer on May 8th & 15th. You must come on one of these dates to verify whether your child has a spot in the class(es) you selected, and to secure the class(es) you want.
- To secure your child's place in his/her class(es), **submit 1st month's Tuition and Materials Fees by 1pm on May 15th** (made payable to the teacher). **1st semester Playroom Fees** are made payable to HCH. Write one check, per student, per class (*check or exact cash ONLY - no electronic payments*).
- Any spots not secured will be offered to those on waiting lists and new registrants after May 15th.

Instructions for Completing the Registration Form

- Check your preferred job choice(s). We will try to accommodate your requests but cannot guarantee placement.
- Complete one registration box for each child you are registering, including preschoolers and babies. Make extra copies if needed. Return the entire sheet, even if you only use one box.
- All children must be registered for Study Hall, Playroom or Nursery for any period they are not attending a class. **All children attending the co-op must be registered.**
- **Do not register for a period if it will be difficult to be on time!** Lateness is disruptive to the entire co-op. Students who are continually late for a class will be asked to drop that class.
- You may **not** pick a 2nd choice class **and** be on a waiting list for your 1st choice. If you prefer your child to be placed on the waiting list for your 1st choice class, mark "**wait**" in the 2nd choice slot for that period. Students on waiting lists will be in Study Hall or Playroom that period until a class slot opens.
- Classes are filled on a lottery basis. We cannot guarantee you will get the classes you request.
- Everyone will be a teacher's aide in at least one class. Indicate all classes that you prefer to assist in by writing "**yes**" in the "**Teacher's Aide?**" box for the appropriate classes. Please understand that requesting to assist in a class does not automatically put you in that position. (See page 8 for teacher's aide responsibilities.)

General Class Information

Class Requirements: Be sure to check age requirements and prerequisites before registering your child(ren) for a class. Students must meet the minimum age requirement as stated in the class description by September 30th of the school year. Teachers may not make an age exception to the age requirement established in the description. Students that are inappropriately registered for a class will be placed in Study Hall or Playroom for that period. Please read class descriptions carefully to be sure your child is able to handle the cumulative homework and requirements of all the classes you choose. Teachers reserve the right to ask those students not fully participating in class to drop that class.

Drop Off Program: This is a program designed for students ages 12+ that allows attendance at HCH without a parent. It requires a 1-hour job at co-op and is based on a completed application, interview, and Board approval. Please see a Board member for more information and an application for this limited program.

Occupational Credit: This program is for ages 13+ and is a teacher and Board approved position. It allows students to work in a classroom or perform other jobs at HCH in order to earn occupational credit hours. Please see a Board member for more information and an application.

Class Size: Class size maximum is 12 students, unless otherwise approved by the Board. If classes do not meet the required minimum students, teachers reserve the right to close the class. If a class is closed, Tuition and Materials Fees for sessions not taught will be refunded.

Teachers: Teachers determine the course content and materials. All teachers must be in agreement with the HCH Mission Statement and Statement of Faith. Teachers are not employed by HCH but are employed and paid by the families that have a student attending their class(es). If a teacher is unable to come to class, the teacher's aide will be responsible for teaching. Tuition will not be refunded.

Teacher's Aide: Teacher's Aides assist the teachers by recording and distributing Tuition and Materials Fees to their teachers, taking attendance, assisting in classroom/behavior management, and filling in as teacher in the teacher's absence.

Materials Fee: The Materials Fee listed is for the items teachers purchase for the class or individual students. Since many teachers order their supplies early, late registrants may be responsible for purchasing textbooks and other items covered by the fee. If you are asked to purchase your student's class materials, your fee will be prorated. If you purchase textbooks, please check that you are buying the correct edition.

Supplies Required: These are the supplies the student is responsible for bringing to class each week. Students should come prepared with ALL required supplies on the first day of co-op, marked with their name. Students regularly coming to class without their supplies or homework may be sent to Study Hall or asked to drop the class.

Class Adds and Drops: Changes that require dropping one class to add another may only be made until the 4th Monday of co-op and require a request in writing by filling out the "Request to Add/Drop" form. The change must be approved by the Board and the teacher in advance of the requested change date. A class can be dropped at any time, but also requires filling out the add/drop form. Students who drop a class after the 4th Monday will be registered for Study Hall.

Nursery/Playroom: These rooms are available during the hours you are registered at HCH and are to be used when your children are not in a regular class. Nursery is for birth to approximately 18 months (no charge). Playroom is for approximately 18 months to 4 yrs. A Playroom Semester Fee of \$15 will cover materials for activities and is a per child charge. These rooms will be closed during lunch time. If you have a child(ren) in the Nursery or Playroom, it is likely that you will be placed in one of these rooms as one of your job assignments.

Study Hall: Study Hall is for children who can read, study, or work on their own assignments quietly. The foyer is designated for parents only who have free time.

HCH Co-op Classes 2023-2024

Classes begin 9/11/2023 and end 5/20/2024

www.harborchristianhomeschool.org

1st Period 9:00 - 10:00

Fun with Numbers

Teacher: Linley Schmidt

Age: 4-6

Tuition: \$5

Materials Fee: \$10 per semester

Supplies Required: pencils, crayons, a pocket folder to take work home

Class Size: Minimum 3, Maximum 12

Description: Students will explore numbers using art, manipulatives, and other fun activities. They will also have an introduction to other math concepts such as addition, subtraction, measurement, time, money, and geometry.

Geography & Culture Around the World

Teacher: Tricia Berry & Lindsey Bibee

Age: 7-9

Prerequisite: reading & basic writing

Tuition: \$5

Materials Fee: 1st semester \$45, 2nd semester \$25

Supplies Required: composition notebook, colored pencils (minimum 16 count), glue stick, scissors, pencils

Class Size: Minimum 6, Maximum 12

Description: Come join us on a journey around the world! This class will include hands-on art, mapping, nature study, cuisine, history & geographic elements. Beautiful literature will guide us through 11 countries and will expand our knowledge of different cultures around the world.

Homework Requirements: Light and/or optional work completion may include mapping, labeling, coloring, etc.

Parental Commitment: We will make resources and extra opportunities available that would be completely optional.

Hand Crafts

Teacher: Brittani Simpson

Age: 7-9

Prerequisite: the desire to learn new skills, as well as the ability to sit and work diligently on projects

Tuition: \$5

Materials Fee: \$25 per semester

Supplies Required: None

Class Size: Minimum 4, Maximum 10

Description: In this class, students will learn a variety of hand crafts that are beautiful and/or useful. These are not your traditional crafts, but rather projects that require learned skill. Some examples of the hand crafts we will be learning/making are embroidery, finger knitting, weaving, basic hand sewing, peg dolls, bees wax candles, pinch pots, paper bead necklaces, and more.

1st Period 9:00 - 10:00 continued

Hymns of Faith

Teacher: Kristen Blanck

Age: 9-12

Tuition: \$5

Materials Fee: \$5 per semester

Supplies Required: 3-ring binder with lined paper, pen/pencil

Class Size: Minimum 4, Maximum 12

Description: Hymns provide solid doctrinal truth that will strengthen your student's faith. Students will learn the history behind a new hymn each week as well as fully memorize one hymn each month.

Homework Requirements: Work on memorizing hymns.

Intro to American Sign Language

Teacher: Robin Nelson

Age: 10-12

Prerequisite: ability to read and write, basic knowledge of sentence structure

Tuition: \$5

Materials Fee: \$10 per semester

Supplies Required: pencil, crayons, scissors

Class Size: Minimum 4, Maximum 12

Description: In this class, your child will learn the basic structure of ASL and Deaf culture through activities, games, songs, stories, etc. It will be a fun introduction to ASL vocabulary, ASL sentence structure, and fingerspelling. Students will also learn how to use facial grammar, and expressive and receptive skills to communicate in ASL.

Homework Requirements: Practice fingerspelling and ASL vocabulary learned in class. Occasional worksheets. Internet will be required in order to access vocabulary lists.

Parental Commitment: Encourage your child and be a practice partner for him/her.

Intermediate IEW: Following Narnia

Teacher: Kari Price

Age: 11-13

Prerequisite: 6th grade reading level

Tuition: \$30

Materials Fee: \$0

Supplies Required: pencil, pen, highlighters, spiral notebook, *Following Narnia Volume 1: The Lion's Song* student workbook (available from iew.com, ISBN 978-1-62341-238-8), IEW Student Resource Packet (may be printed for free from IEW site with code: included inside front cover of the student workbook or purchased by parent, not included in fee)

Class Size: Minimum 4, Maximum 12

Description: Using the first three novels of *The Chronicles of Narnia*® (*The Magician's Nephew*, *The Lion, the Witch and the Wardrobe*, and *The Horse and His Boy*), this series of 30 lessons beckons students to experience the enchanted land of Narnia through the Structure and Style® writing method. Class will include reading assignments from the above novels, vocabulary studies, weekly writing assignments, presentations, clear checklists and more!

Homework Requirements: Students will complete one writing assignment per week. This includes Key Word Outline, brainstorming, rough draft, editing, final draft and checklist.

Parental Commitment: Parents are expected to help students with their weekly writing assignments by editing the student's work and completing the weekly checklist. Parents will be integral in determining the level that each student will participate.

1st Period 9:00 - 10:00 continued

Grow: Girls' Bible Study

Teacher: Liesl Travis

Age: 12+

Prerequisite: 5th grade reading and writing level

Tuition: \$5

Materials Fee: \$5 per semester

Supplies Required: Bible, pen/pencil, *Encountering God* (teen girls edition) by Kelly Minter (1st semester), *TruthFilled* by Ruth Chou Simmons (1st semester), and *Is Your Fruit Sweet or Sour?* by Karen Finn (2nd semester)

Class Size: Minimum 2, Maximum 8

Description: Being a teen girl comes with its fair share of identity crises and faith struggles, and I'm so thankful I had a mentor to walk and talk through all of them with me! Similarly, through this Bible study, I want to equip young girls to get into the Word, build a personal relationship with God, learn to speak His truth to themselves in every situation, and let that truth seep into their lives in the form of spiritual fruit. Each week we will have some meaningful worship and prayer time, followed by a discussion on the book study we are doing at the moment.

Homework Requirement: reading each week, answer some study questions

Parental Commitment: Encourage your teen to complete their reading.

Drama

Teacher: Alisa Stigter

Age: 13+

Tuition: \$5

Materials Fee: \$60 per semester

Supplies Required: pencil, highlighter, eraser, notebook with paper

Class Size: Minimum 8, Maximum 15

Description: Does your teenager love to be on stage? Do they love to take on characters and tell stories? Are they a little bit dramatic? This might be the class for them! In Drama, we will focus on developing acting skills and character development. We will use minimal sets and props in order to best focus on acting skills such as vocal projection, stage confidence, and how to fully embody the personalities and emotions of different characters. We will have two performances- a comedy during HCH night, and a drama at the end of the school year. Dates TBD. Because this class requires a large amount of line memorization, please only sign up for this class if you are ready to take on this challenge!

Homework Requirements: Students will be required to memorize a significant amount of lines. Scripts will be memorized in sections, with eventually the entire script memorized for performances.

Parental Commitment: Please help and encourage your student to memorize their scripts. On the day of a performance, there will be extra rehearsal time.

US Constitution 101

Teacher: Daniela Ledwick & Heather Pancho

Age: 14+

Tuition: \$10

Materials Fee: 1st semester \$15, 2nd semester \$10

Supplies Required: 2" binder, highlighter

Class Size: Minimum 4, Maximum 12

Description: This course considers the principles of the American Founding-which are described most famously and concisely in the Declaration of Independence-as well as key features of American government based on those principles. Led by Hillsdale College President Larry P. Arnn, the course also examines the major challenges posed by Progressivism to American constitutionalism.

Homework Requirements: some reading and note review

Parental Commitment: Encourage independent learning

2nd Period 10:10 - 11:10

Answers in Genesis Jr.

Teacher: Jen Shanks

Age: 4-6

Tuition: \$5

Materials Fee: \$15 per semester

Supplies Required: crayons & scissors

Class Size: Minimum 3, Maximum 8

Description: This curriculum, designed for Sunday school, introduces the Bible as true history and includes beginning apologetics to give even the littlest answers for what they believe. Woven through each lesson is God's redemptive plan, God's attributes and every day application.

Parental Commitment: A small outline of each lesson will be sent home most weeks if your family wishes to reinforce the teaching.

Answers in Genesis

Teacher: Kristen Blanck

Age: 7-9

Tuition: \$5

Materials Fee: \$10 per semester

Supplies Required: folder for take-home papers and a Bible

Class Size: Minimum 4, Maximum 12

Description: Studies show that children are leaving the faith because they believe the Bible stories are just that: stories. Answers in Genesis Bible curriculum teaches the truth of Scripture in an engaging and age-appropriate way. This is a 4+ year curriculum that moves chronologically through the Bible. This year will begin with an introduction to the Word and end with the tower of Babel.

Parental Commitment: Read through and discuss weekly topics with your child.

Pinterest Crafts

Teacher: Shannon Perry

Age: 8-10

Tuition: \$5

Materials Fee: 1st semester \$40, 2nd semester \$20

Supplies Required: large thrifted T-shirt to protect clothing- I will keep these available during class

Class Size: Minimum 4, Maximum 12

Description: With inspiration from Pinterest and the world around us, we will get creative, and probably a bit messy. We will utilize art supplies, including paint, clay, the trusty glue gun, and upcycled materials to craft pieces students can proudly gift or display at home. We may even try out some STEM or cooking projects.

Parental Commitment: There will be occasional requests to collect materials to bring (leaves, broken crayons, paper tubes).

Creative Skits & Drama Games

Teacher: Cindy Staub

Age: 10-12

Tuition: \$10

Materials Fee: \$25 per semester

Supplies Required: a spiral notebook with a pocket or paper and a folder to keep papers in

Class Size: Minimum 6, Maximum 12

Description: A fun class to encourage creativity and teamwork! The main objective is to use imagination and build confidence with drama. We will explore fun activities, such as improv and theater games to gain confidence and learn to perform. We will write our own skits individually and as a group, learn some theater terms, and practice enunciation and projection. The most rewarding part of the class is when the students work

2nd Period 10:10 - 11:10 continued

Creative Skits & Drama Games (continued)

together to create a skit to perform for an audience. Each student is encouraged to create their own characters and perform however they feel comfortable on stage, so even a timid student will enjoy this class.

Homework Requirements: When assigned: brainstorm to help create a skit, look for props and costumes, and memorize lines before a performance.

Parental Commitment: possible help with costumes, encourage student to practice lines before a performance

Intro to Civics

Teacher: Robin Nelson

Age: 11-13

Prerequisite: ability to read and write near grade level (accommodations available upon request as needed)

Tuition: \$5

Materials Fee: 1st semester \$35, 2nd semester \$30

Supplies Required: pencils, 3-ring binder, spiral notebook, access to internet at home for occasional research projects

Class Size: Minimum 4, Maximum 12

Description: This class will teach your child the basics of the constitution, our system of government, and its checks and balances including the three branches. We will get to know the founding fathers and their vision for America through the founding documents and historical writings including The Constitution, The Federalist and Anti-Federalist Papers, The Silence Dogood Letters and more. Your child will engage with this course through discussion, activities, videos, and games.

Homework Requirements: Expect weekly reading assignments and occasional research projects or reports.

Parental Commitment: Encourage your child to complete their homework and help with internet research as needed.

Home Economics

Teacher: Liesl Travis

Age: 13+

Tuition: \$10

Materials Fee: 1st semester \$10, 2nd semester \$5

Supplies Required: 3-ring binder to hold all assignments

Class Size: Minimum 4, Maximum 10

Description: This class will get your teen involved in household duties, helping you with everything from meal planning, baking, and dishes, to laundry, decluttering, and hospitality. Home Economics will help equip your teen to be an adult and take on more responsibilities around the house.

Homework Requirements: Almost every week there will be a "project". For the first half of the year this will typically be making something in the kitchen. The latter half of the year will be projects like decluttering, making a budget, and planning meals. Depending on the project, this could be 15 min. to 5 hrs. a week

Parental Commitment: Have ingredients/supplies on hand for each week's project (I will do my best to notify you in advance). Occasionally fill out the provided evaluations for projects your student did. Supervise your teen's projects as needed.

2nd Period 10:10 – 11:10 continued

WWII History

Teacher: Jill Southern

Age: 13-15

Prerequisite: be able to do research and write short reports

Tuition: \$10

Materials Fee: 1st semester \$50, 2nd semester \$30

Supplies Required: 2-3 ring binder, paper, pencils, colored pencils, reports

Class Size: Minimum 4, Maximum 12

Description: We will be learning about WWII--things that occurred on the home front, and the war front. We will be learning about people involved--politicians, military, civilians, women and children. Students will be given subjects to study, write reports and present to class. There will also be art projects and food.

Homework Requirements: small reports and projects, review of vocabulary words, any extra studying you want to do on weekly focus

Parental Commitment: Make sure reports and/or projects are done.

3rd Period 11:20-12:20

Animal Adventures

Teacher: Jen Shanks

Age: 4-6

Tuition: \$5

Materials Fee: 1st semester \$25, 2nd semester \$20

Supplies Required: crayons, scissors

Class Size: Minimum 5, Maximum 10

Description: Each week, we will explore a land animal and their habitat, diet, tracks, and how each were created with care and purpose. Through stories, games, crafts, building, and play, we get a glimpse of the characteristics and habits that set each apart. Our learning style will be focused on active movement and group involvement.

Homework Requirements: A facts worksheet will be sent home with students MOST weeks to reinforce class activities for parents to use if they wish.

Parental Commitment: Have your child tell you of their adventures!

What the World Eats

Teacher: Jen Horton

Age: 7-8

Prerequisite: Students must be willing to try new foods.

Tuition: \$10

Materials Fee: \$60 per semester

Class Size: Minimum 6, Maximum 12

Description: Meant to complement *Geography and Culture Around the World*, this class will take a closer look at the foods consumed by cultures across the globe. We will talk about etiquette and customs surrounding the food experience as well as take a look at unusual delicacies from each region. Every week, a kid-friendly dish such as Chow Mein, Brigadeiro, Butter Chicken, and Poutine will be made by students to go along with the country presented. Recipes will be illustrated by students and collected in a keepsake book.

Parental Commitment: Encourage and assist your child in making their favorite recipes at home. Additionally, if there are any allergies or food concerns, please contact me as soon as possible. I am willing to make variations in the recipes to accommodate children with special food needs, however, help with ingredients or an additional fee may be required.

3rd Period 11:20-12:20 continued

American History

Teacher: Alethia Lopez

Age: 7-9

Prerequisite: the ability to read

Tuition: \$5

Materials Fee: \$20 per semester plus a one-time fee of \$35 for *Abeka History of the United States in Christian Perspective* (4th edition)

Supplies Required: textbook, pencils and notebook

Class Size: Minimum 4, Maximum 12

Description: In this class, your child will learn about the history of our wonderful nation: from the days of Christopher Columbus through the end of WWII. They will be learning about and memorizing important historical figures as well as some patriotic songs and the layout of our beautiful land.

Homework Requirements: Read and study the assigned textbook pages.

Parental Commitment: Make sure homework is completed.

Ocean Science: Swimming Creatures of the 5th Day

Teacher: Betsy McGuire

Age: 9-10

Tuition: \$5

Materials Fee: 1st semester \$30, 2nd semester \$20

Supplies Required: scissors, glue stick, colored pencils, pencils

Class Size: Minimum 4, Maximum 12

Description: Using Apologia's Swimming Creatures of the Fifth Day curriculum, we will go on a "journey through the oceans and streams of the world to discover many of the charming, exotic, fascinating, and fanciful creatures God created on the fifth day."

Homework Requirements: reading half a chapter each week, some projects, and defining terms worksheets

Parental Commitment: Parents will need to keep kids on track, help early readers, and make sure terms are defined and understood each week.

P.E./Nutrition

Teacher: Liesl Travis

Age: 10-13

Tuition: \$5

Materials Fee: \$5 per semester

Supplies Required: homework folder

Class Size: Minimum 5, Maximum 15

Description: From fun games to ball drills, students will leave this class knowing the basics of seven different sports! In conjunction with this, a short portion of our time each week will be spent discussing basic nutrition and lots of mindset tips to help equip students to navigate this world of contradicting health beliefs.

Homework Requirements: Lots of time outside, plus a few projects to evaluate what they are eating and how it relates to what we are learning each week.

Parental Commitment: Ensure homework is done and returned to class. Encourage your kid(s) to go outside! Continue the conversations we start in class at home.

3rd Period 11:20-12:20 continued

Ancient Egyptian History

Teacher: Alisa Stigter

Age: 11-13

Tuition: \$5

Materials Fee: \$30 per semester

Supplies Required: Pencils, pens, 3 ring binder, notebook paper, access to internet for occasional research

Class Size: Minimum 4, Maximum 12

Description: Get ready to dive into the fascinating world of the ancient Egyptians! Following a timeline starting around 3000 BC and ending with Cleopatra, the last ruler, students will explore the politics, philosophy, and culture of the ancient Egyptian world. Hands-on and interactive activities will make this period of history come alive!

Homework Requirements: Occasional reading will be needed during the week, and we will have some research projects throughout the school year.

Parental Commitment: Encourage and help students to complete any homework or research that is assigned.

Apologia General Science

Teacher: Jenny Zecher

Age: 12-13

Prerequisite: age-appropriate reading and writing skills

Tuition: \$10

Materials Fee: 1st semester \$40, PLUS a one-time book fee of \$153 for *Apologia Exploring Creation with General Science, 3rd Edition*. Book fee includes *Student Notebook* and *Solutions and Tests Manual*. 2nd semester: \$20

Supplies Required: Bring to class EACH WEEK: your Student Notebook and a pencil.

Class Size: Minimum 4, Maximum 12

Description: Apologia's General Science is an introduction to broad topics, including the history of science, the scientific method, simple machines, geology, archaeology, earth sciences and biology. Hands-on experiments in class introduce scientific principles, provide practical experience and emphasize how to record and report data. Testimonies from modern-day scientists who interpret data through a Christian worldview are an integral part of this curriculum. Explore, observe and learn to see God's hand in all of life through the world He made!

Homework Requirements: 3-4 hours per week, with homework assigned 4 days a week. Includes mandatory module reading, on your-own questions, labs and lab write-ups, study guides, and tests. Participation requires homework to be completed before class each week.

Parental Commitment: Oversee homework completion weekly, help student self-correct on-your-own questions and study guides, and administer/proctor the module tests.

3rd Period 11:20-12:20 continued

Apologia Physical Science

Teacher: Rikkie Sanders

Age: 12+

Prerequisite: Students will utilize Pre-Algebra math skills.

Tuition: \$20

Materials Fee: \$20 per semester PLUS a one-time book fee of \$65 for *Apologia's Exploring Creation with Physical Science, 2nd Edition*

Supplies Required: Two (2) hardbound composition books for labs, 3-ring binder with 8 dividers, binder paper, colored pencils, 3x5 index cards, (home access to a calculator, scissors, tape, glue stick, hole punch)

Class Size: Minimum 4, Maximum 16

Description: The intent of this course is to assist your home completion of the *Apologia Physical Science* curriculum. Monday's classes will introduce and reinforce course topics with a variety of hands-on activities and experiments. Topics include: earth's atmosphere, hydrosphere, the weather, structure of the earth, physics of motion, Newton's Laws, four fundamental forces of nature, sound, light, and astrophysics.

Homework Requirements: Students will receive a weekly assignment list that requires an estimated 5 hours of homework per week. Said homework includes module reading, comprehension questions, bi-weekly study guides and summaries, worksheets, bi-weekly tests, lab experiments and lab book write-ups. Students, you are expected to come to class with your assigned homework completed and to be prepared to participate in class discussions and activities.

Parental Commitment: Parental oversight is required. Please ensure that your student completes assigned homework. Communicate any concerns directly with the teacher before class each week. Parents are responsible for correcting study guides and summaries and administering module tests. The teacher will provide grading.

U.S. Government and Current Events

Teacher: Brandon Zecher

Age: 14+

Prerequisite: understanding of US History

Tuition: \$10

Materials Fee: 1st semester: \$20, 2nd semester \$10

Supplies Required: *Exploring Government* curriculum package by Ray Notgrass (includes *Exploring Government and We Hold These Truths*), spiral-bound notebook, 1" binder

Class Size: Minimum 4, Maximum 12

Description: This course will study the framework/founding for United States government through historic documents, essays and speeches, allowing students to gain an understanding of our federal, state and local governments. Current events and economics will be incorporated in in-class discussions.

Homework Requirements: 1.5 to 2 hours per week including moderate reading, handouts/study guides and/or take-home quizzes.

Parental Commitment: Be available to your child for discussions regarding current events.

4th Period 12:55-1:55

Story Time

Teacher: Jeremy Isbell

Age: 4-6

Prerequisite: ability to sit quietly and listen to a story

Tuition: \$0

Materials Fee: There is no materials fee for this class.

Supplies Required: favorite blanket/stuffed animal to snuggle or supplies to draw or color while students listen to stories

Class Size: Minimum 2, Maximum 8

Description: This class is meant to be a quiet and relaxing down time for the wee ones. I will be reading a mix of short children's books and longer books like *Little House in The Big Woods* and *The Lion, the Witch and the Wardrobe*. The kids are welcome to snuggle their favorite blanket or stuffed animal and listen or nap. If they need to do something while they listen, they are welcome to draw or color as long as it doesn't become disruptive and keep the other kids from enjoying the story.

Parental Commitment: If your child does not like to sit and listen to stories, please do not sign them up for this class

Math and Games

Teacher: Brittani Simpson

Age: 6-8

Prerequisite: Students must be able to count to ten.

Tuition: \$5

Materials Fee: 1st semester \$20, 2nd semester \$15

Supplies Required: None

Class Size: Minimum 4, Maximum 12

Description: In this class, students will practice their math and social skills through games. Each class will begin with math facts workbook time. Then, students will play games in small groups or as a class. At the end of each class period, the students will have the opportunity to purchase small candies and toys using play money.

Ocean Science: Swimming Creatures of the 5th Day

Teacher: Betsey McGuire

Age: 7-8

Tuition: \$5

Materials Fee: 1st semester \$30, 2nd semester \$20

Supplies Required: scissors, glue stick, colored pencils, pencils

Class Size: Minimum 4, Maximum 12

Description: Using Apologia's *Swimming Creatures of the Fifth Day* curriculum, we will go on a "journey through the oceans and streams of the world to discover many of the charming, exotic, fascinating, and fanciful creatures God created on the fifth day."

Homework Requirements: reading half a chapter each week, some projects, and defining terms worksheets

Parental Commitment: Parents will need to keep kids on track, help early readers, and make sure terms are defined and understood each week.

4th Period 12:55-1:55 continued

IEW

Teacher: Nicole Joy

Age: 9-10

Prerequisite: Students need to be independent readers.

Tuition: \$5

Materials Fee: \$20 per semester

Supplies Required: 3-ring binder with loose leaf paper, pen, highlighters, pencil, scissors and the IEW Fables, Myths, and Fairy Tales student workbook (ISBN-13: 9781623413095)

Class Size: Minimum 4, Maximum 12

Description: This class will follow the teaching system outlined by the Institute for Excellence in Writing. We will be working through the first five units of the system, which include notetaking, outlining and summarizing, while introducing "dress-ups" and stylistic techniques. This is an introductory class designed to teach students how to write a paragraph. New concepts will be taught slowly and gradually.

Homework Requirements: one hour weekly, increasing to one and a half hours, depending on student's writing ability

Parental Commitment: Parents will help students with their assignments by editing the student's work and completing the checklist.

LEGO Engineers

Teacher: Kirsten Kilcup

Age: 9-11

Tuition: \$5

Materials Fee: \$20 per semester

Supplies Required: pencil

Class Size: Minimum 4, Maximum 12

Description: Learn via play! STEAM-themed lessons will demonstrate various principles and incorporate build challenges. Students will also design their own projects and create instructions for them. We will also learn and utilize Bricklink Studio for digital design.

Homework Requirements: Very little formal homework--mostly finishing up projects that need more than just class time to complete.

Parental Commitment: just listening and encouragement

Drawing and Painting

Teacher: Kelly Allard

Age: 11-13

Tuition: \$5

Materials Fee: 1st semester \$10, 2nd semester \$20

Supplies Required: Drawing paper, pencils, erasers, charcoal, pens, canvas, paints and brushes. A specific supply list will be emailed to parents.

Class Size: Minimum 6, Maximum 12

Description: Drawing and Painting fundamentals. First semester will be focused on developing drawing skills, techniques and styles, while exploring different mediums. The second semester will be painting. We will learn painting fundamentals and learning to command different mediums.

Homework Requirements: Many assignments will be taken home to work on.

4th Period 12:55-1:55 continued

Speech and Debate Club

Teacher: Shannon Perry

Age: 12+

Tuition: \$5

Materials Fee: \$20 per semester

Supplies Required: 3-ring binder and pens/pencils

Class Size: Minimum 4, Maximum 15

Description: This will be an introduction to the art of public speaking. The goal of this class is to encourage students' growing independence and self-confidence through fun games and class discussions. We will learn from great orators, as we listen to or read famous speeches. Public persona will be developed and we will study critical thinking, as we learn to organize our thoughts and opinions to present to the world.

Homework Requirements: some at-home research and writing, some video clips will be emailed to parents to view and share with students

Parental Commitment: Students may need help and supervision if any research is needed; parents could make library visits or enable students to reserve materials.

Literature

Teacher: Jill Southern

Age: 13-15

Prerequisite: Must be able to read and write.

Tuition: \$10

Materials Fee: \$10 per semester

Supplies Required: 1" 3-ring binder, paper, pencil, colored pencils, book you are reading.

Class Size: Minimum 4, Maximum 12

Description: Students select a book each month based on the genre introduced and write summaries along with a drawing project. Students will be presenting their summaries in class.

Homework Requirements: daily reading (probably 30 min. depending on how fast you read & the book chosen), end of book summaries & drawing projects.

Parental Commitment: Make sure chosen book is appropriate for your child, that the book gets read, and summaries and art projects get done.

Apologia Biology (2-hour class, 4th and 5th Periods)

Teacher: Rikkie Sanders

Age: 14+

Prerequisite: class contract signed by parent and student

Tuition: \$40

Materials Fee: \$50 per semester

(I will loan you a *National Audubon Field Guide to the Pacific NW* for the academic year.)

Supplies Required: *Apologia's Exploring Creation with Biology*, 2nd Edition (ISBN-13: 978-1932012545), 3-ring binder with 8 dividers, two (2) composition notebooks for labs, colored pencils, 3x5 index cards, binder paper

Class Size: Minimum 4, Maximum 16

Description: This high school Biology course covers 16 modules in *Apologia's Exploring Creation with Biology*. Monday's class time will focus on laboratory work, demonstrations, quizzes and group discussions. Labs include classification, microscope work, slide and culture prep, introductory cytology, microbiology and genetics, as well as several

4th Period 12:55-1:55 continued

Apologia Biology (2-hour class, 4th and 5th Periods)(continued) dissections. My prayer is that this course helps ignite the student's interest in science from a Christian perspective, recognizing the miraculous fingerprints of God that are everywhere! Although we will cover the majority of our lab work in class, the bulk of the reading and studying will be done at home. Grades are based on tests, quizzes, lab work, homework and in-class presentations. Completion of required work is mandatory for a passing grade.

Homework Requirements: Students will receive a weekly assignment list that requires an estimated 7 hours of homework per week. Homework includes module reading, comprehension questions, bi-weekly study guides and summaries, worksheets, bi-weekly tests, research, lab experiments and lab book write-ups. In addition, optional field trips will be made available to further enrich the Apologia curriculum. Students, you are expected to come to class with your assigned homework completed and to be prepared to participate in class discussions and activities.

Parental Commitment: Parental oversight is required. Please ensure that your student completes assigned homework. Parents are responsible for administering module tests. The teacher will provide grading.

Christian Apologetics

Teacher: Dan Purcell

Age: 14+

Tuition: \$10

Materials Fee: \$15 per semester

Supplies Required: *On Guard-Defending Your Faith with Reason and Precision* by William Lane Craig (ISBN-13: 978-1434764881), 3-ring binder, dividers, notebook

Class Size: Minimum 5, Maximum 12

Description: Christianity in America is challenged by a humanist worldview that rejects or de-emphasizes the supernatural and encourages us to look to ourselves for rational and scientific solutions to the problems we face. At the same time, humanists discard Christian morality in favor of so-called progressive values which today shape and inform both popular opinion and public policy. In this class we will examine the core beliefs, assumptions and moral positions of humanism, and learn how we might respond both as thinkers and ambassadors of the risen Lord.

Homework Requirements: Students will receive a weekly reading assignment and compose a short paper in which they defend or critique a key argument from the reading.

Parental Commitment: Parents should prepare to discuss questions about the existence of God, the purpose of our existence, the meaning of good and evil, the intersection of faith and reason, the authority of Scripture, and the important moral and social issues of our day.

5th Period 2:05-3:05

LEGO Builders

Teacher: Jill Southern

Age: 5-7

Tuition: \$5

Materials Fee: \$20 per semester

Class Size: Minimum 4, Maximum 12

Description: Learn via play! Lessons will demonstrate various principles and incorporate build challenges. Students will also design their own projects.

Parental Commitment: just listening and encouragement

5th Period 2:05-3:05 continued

Character Builders

Teacher: Jenny Zecher

Age: 7-8

Prerequisite: age-appropriate reading and writing skills

Tuition: \$5

Materials Fee: 1st semester \$30, 2nd semester \$25

Supplies Required: 1.5" view binder, sharpened pencil, colored pencils, scissors and glue stick

Class Size: Minimum 4, Maximum 12

Description: Character builders will incorporate character-building traits and history, introduced through the *ValueTales* book series. Based on the historical figure of the week, students will be encouraged to learn and implement the fruits of the spirit (Galatians 5:22-23), along with others, including courage, respect, responsibility, service, and more. Class time will incorporate listening to a story, tablework (coloring sheets/light writing), hands-on activities, and sharing examples of the week's character trait. Bible verse memorization and character-building application activities will be encouraged both in and outside of class.

Homework Requirements: There will be suggested Bible memory verses, and reading materials or videos to watch as a family.

Parental Commitment: Ask your child about their lesson from the week. Help them share what they learned with the rest of your family.

Gameschooling

Teacher: Shannon Perry

Age: 9-10

Prerequisite: kindness and good sportsmanship, willingness to follow directions

Tuition: \$5

Materials Fee: \$15 per semester

Supplies Required: none

Class Size: Minimum 4, Maximum 12

Description: This class will be a fun hour of building friendship, as we practice social, math, and reading skills. We will play a variety of games, from classroom classics such as Hot Potato or Heads up Seven Up, to board games, and even trivia. Occasional snacks will be provided (please notify teacher of any allergies).

ABC's of Savory Cooking

Teacher: Alethia Lopez

Age: 9-10

Prerequisite: ability to follow directions

Tuition: \$10

Materials Fee: \$45 per semester

Supplies Required: aprons and appetites

Class Size: Minimum 4, Maximum 12

Description: Time to teach the young ones the basics of making delicious dishes! Food safety, basic knife usage, as well as using common kitchen tools will be taught. They will learn how easy it can be to make simple meals from scratch!

Parental Commitment: Any allergies must be made known before classes begin in Fall.

5th Period 2:05-3:05 continued

Journaling

Teacher: Lori Isbell

Age: 11+

Prerequisite: Students must be able to write basic sentences and be willing to draw.

Tuition: \$10

Materials Fee: \$10 per semester

Supplies Required: 1 hard back empty journal (about 6x8"), 1 regular spiral bound, lined notebook, 1 blank spiral or hard bound journal (9x12"), black gel pen (Tul medium point for example), *Diary of an Early American Boy: Noah Blake 1805* by Eric Sloane ISBN-13:978-0-486-43666-1, student will need access to art supplies at home. I suggest: a ruler, colored pencils, water color, glue stick and colored paper or magazines for collage and possibly colored gel pens, brown gel pen for writing.

Class Size: Minimum 4, Maximum 12

Description: Students will express their thoughts and make observations in writing and visually with art. We'll start the year reading *Diary of an Early American Boy* to get a sense of what a historical daily log is like. Students will use journaling to sharpen observations (nature journaling) and reflect on their daily life. Each unit will present a different type of journaling. We'll use gratitude journaling and bullet journaling and see the impact it creates on mental health. We'll try reflective journaling that creates an opportunity to notice the path we're walking and how we're responding to God.

Homework Requirements: journaling 6 days/week. Some assignments will be written, others visual/drawing, small amount of reading-at beginning of year.

Parental Commitment: Support students with a consistent time & place to journal.

Life Skills for Tweens

Teacher: Lisa Choate

Age: 11-13

Prerequisite: able to read weekly assignment and discuss worksheet answers in class

Tuition: \$5

Materials Fee: \$15 per semester

Supplies Required: *Life Skills for Tweens* book and workbook by Ferne Bowe (Amazon), pencil/pen

Class Size: Minimum 4, Maximum 12

Description: Life skills are the abilities and knowledge that help us effectively navigate and handle the challenges and responsibilities of everyday life. They help us communicate effectively, solve problems, make decisions, and manage our time and resources. They include everything from practical skills like cooking a meal, to more emotional skills, such as staying positive or understanding emotions.

Homework Requirements: weekly reading and workbook pages

Parental Commitment: oversee weekly reading and workbook pages to discuss in class

5th Period 2:05-3:05 continued

Graphic Design and Publishing

Teacher: Kelly Allard

Age: 13+

Tuition: \$10

Materials Fee: \$20 per semester

Supplies Required: notebook, pen and pencils, laptop

Class Size: Minimum 6, Maximum 12

Description: Explore the world of print and online publishing. We will be graphic designers, photographers, journalists, writers, leaders, and team players. We will learn online publishing tools like Canva, Wix, some Adobe Suite programs like Lightroom, Photoshop and InDesign. We will create newsletters, a yearbook, a magazine, a website and other fun projects.

Homework Requirements: Each project will require independent work of assigned tasks.

Parental Commitment: basic supervision

Apologia Biology (see 4th hour description)

Latin II

Teacher: Enriko Stigter

Age: 14+

Prerequisite: completed Latin I, or a similar course covering the Latin noun system (see instructor to verify)

Tuition: \$5

Materials Fee: \$5 per semester

Supplies Required: Same textbook as was used for Latin I: *Lingua Latina per se Illustrata, Pars I: Familia Romana (Latin Edition), Second Edition* by Hans Ørberg; ISBN-13: 978-1585104208; ISBN-10 1585104205, binder with handouts and notes from Latin I, notebook and pen

Class Size: Minimum 3, Maximum 12

Description: Join us on the second part of our journey into the Latin language, building on the skills and knowledge acquired in Latin I. We will cover the middle section of the textbook this year, which focuses on Latin verbs.

Homework Requirements: The only way to learn a language is by consistent engagement. Students will need to read and re-read the chapter we are in, at least once per day, for at least five days a week. They will also need to complete take-home tests every few weeks.

Parental Commitment: Encourage your student(s) to complete the homework.
